ANNEXURE TO THE GOVERNMENT ORDER NO:PD 486 PMM,
DATED: 16-07-2001

KARNATAKA LEGISLATOR LOCAL AREA DEVELOPMENT SCHEME
(KLLADS)/GUIDELINES OF THE SCHEME/.

1. BACKGROUND

1.1 The investment in development programmes based on a sectoral planning process to benefit local area leaves some infrastructure gaps despite best planning effort. This under-mines the investment, which is not optimally beneficial to the local area. The domination of the sectoral planning process has limited the potential scope for participation by people's elected representatives and the user community. There have been occasions where some important works have not been undertaken, as they are not covered by any existing plan or non-plan scheme.

1.2. In order to accommodate local aspirations and needs better, for a more responsive planning and delivery of services, the Government has been considering taking up schemes for asset creation, infrastructure development and employment generation for the benefit of the poor and weaker sections, whose planning and execution can be done at the Legislator's Constituency Level. The KLLADS aims to follow a participatory demand responsive development approach to address infrastructure development requirements of the local area within a Legislator's Constituency. This will also provide flexibility in taking up

works which are otherwise not covered by other government programmes.

1.3 The allocation under this scheme shall be Rs.25 lakhs (Rs.Twenty Five Lakhs only) for each Legislator's Constituency. Each Legislator will have the choice to suggest to the Deputy Commissioner of the District, works of this amount per year, to be taken up in his/her constituency.
